GALLAVANT WINS SARANAC.

TIPTOE HIS ONLY COMPETITOR FOR THE FEATURE AT SARATOGA.

Contest Is Interesting—Many Withdrawals Because of Heavy Track—Belmont Colors Twice Successful—Glamor Wins in a Canter.

Saratoga, N. Y., August 28.—In these fog and days of the meeting interest in the racing is waning, but ideal weather conditions today offset this to the extent that a big crowd was at the course. The sport was high class, notwithstanding the reduced fields in several races. Many of the withdrawals were presumably due to the heavy track conditions. Nothing was lost by the wholesale scratching in the Saranac Handicap of \$5,000 at one mile and a furlong as long as the two belligerent mudlarks Gallavant and Tiptoe remained in to fight it out over the trying course. This contest had all the fascination of a match race and far overshadowed the remainder of the program both in interest and from a speculative standpoint. Tiptoe, which made the running, was not quite keyed up and was eventually worn down at the end by her more seasoned opponent, equally at home in the going with the speedier Belmont filly.

Despite its evident lack of confidence in short priced favorites, the success of the three odds-on choices—Rosemount, Gallavant and Glamor—and the heavily backed Neptunus and Cadichon, the public recouped the heavy losses of the day before. This will enhance interest in the two remaining days of the meeting.

Sir Russell, ridden by Miller, won the opening sprint at six furlongs from Sanfara, atrociously handled by jockey Kent. It was the general opinion that with jockeys reversed, Sanfara would have won. Aucassin, Miller's mount in the race following at a mile, was unable to stride freely in the footing and ran unplaced. Neptunus, well supported by the public, won in a game effort. Little stable money was in evidence on the Drake horse.

Rosemount, the half brother to the famous Rose-tint, had only an exercise gallop to defeat those opposed to him at five and a half furlongs in the third. The misguided plunge on the western colt Rio Grande came to naught. The highly regarded and good looking Pessara colt, alleged to be the equal of Fountainblue, ran high in flesh and was palpably short. Experts were favorably impressed by the Forsythe youngster, however, and a great future is predicted for him.

Corrigan was unable to concede the weight to Cadichon and lost out by a small margin at the end of the mile selling affair. The victory of Cadichon cost the ring a pretty penny.

August Belmont scored his second success of the day with the two-year-old filly Glamor, by Hastings—Glory. She spreadened moderate opposition in the closing race at five and a half furlongs.

With the victory of Gallavant in today's Saranac Handicap, T. J. Healey has trained three winners of this valuable stake. The other two being Dublin and Dolly Spanker.

The stewards called in the services of the official veterinary surgeon during the afternoon to examine Saladin, one of the starters in the second race. The appearance and unruly behavior of the horse excited suspicion that he had been "doped." A report has not been made by the stewards as yet.

PECULIAR POINT IN CONTROVERSY.

New York, August 28.—The Great Autumn Steeplechase, the new \$7,000 race to be run for the first time on the second Saturday of the Sheephead Bay meeting, is already the subject of a controversy. It was the original idea to make the distance of the race three miles, and the entry blanks as first published made this the distance. Later it was decided to make the distance two and a half miles, and a correction was made before the advertisement of the closing of entries.

It seems, however, that not all the subscribers to the race received the notification of the change, and some of the entries were made on the original blanks. One of these nominators was Harry S. Page. Mr. Page, who has always been a stickler for long distances and heavy weights, says that he made his entries for a three-mile race, and now wants to know if the Coney Island Jockey Club will fulfill its part of the contract by giving a three-mile race.

The case is a peculiar one, inasmuch as, according to the story of Mr. Page his entry for a three-mile race was accepted without question. As the distances for all steeplechases are not fixed definitely, but are always designated in the conditions as "about so-and-so," the association will probably overcome the difficulty through this clause.

HORACE E.'S REPORTED FAST TRIAL.

In dispatches from New York it is claimed that Horace E. worked over the Futurity course at Sheephead Bay, Monday afternoon, in 1:10, pulling up in great shape. If he did, it would appear that he is the horse to beat next Saturday. The record for the race is Yankee's 1:00. Ogden and Ballyhoo Bay each ran in 1:10. This was over the old short course. Over the present full distance the record is 1:11, made by Artful and Ormondale.

The morning Telegraph of Monday says that "Bub" May and Radtke have "made their peace" and that Radtke will ride Horace E. in the Futurity. If De Mund is also started it is likely that Dugan will be his pilot.

FIVE SUCCESSFUL FAVORITES AT LATONIA.

John L. Inglis Wins the Feature—Miss Doyle Is Inadequately Handled—Gossip.

Cincinnati, O., August 28.—Favorites and second choices were returned winners in five of today's races at Latonia. Redcoat, at 15 to 1, was the only outsider to land a purse. The card was given over mostly to horses that have been frequent non-winners at this meeting. The exception was the fourth race, which went to the much improved John L. Inglis. His victory enriched his connections considerably. They backed him with confidence. He put up a good performance, conceding weight to all his opponents, but was lucky to win. Miss Doyle was best, but Perrett was too light to do her justice. She requires a strong rider. Miltiades, which was favorite, ran as if short and ceased to be a contender after going five furlongs.

Another big attendance was present. They were mostly visitors to the Fall Festival which began here today.

Fred Cook departed today for New York. He will remain about a week. He expects to make a book at Douglas Park.

Jockey Nicol will leave here tomorrow. He goes to Sheephead Bay and will have a mount in the Futurity. He says he feels confident that he will beat Walter Miller for jockey honors of 1906.

For misbehavior at the post jockey Seder was fined \$50 by starter Holtman, in the third race.

W. H. Fizer's horses were shipped tonight to Douglas Park.

W. H. and Harry Laudeman left tonight for New York. They will book at Sheephead Bay.

Potash, which is at present being handled by J. C. Ferriss, Jr., will be shipped to New York, where she will be raced over jumps.

C. E. Patterson shipped his string of horses tonight to Louisville.

C. Maulding shipped Pirate's Dance and one other to Shony, Ill. They will be campaigned at the "bush" tracks.

MISHAPS IN STEEPLECHASE AT WINDSOR.

Only Three of the Seven Starters Finish—Bank Holiday the Winner—Big Crowd Out.

Detroit, Mich., August 28.—A bright, cool day called out 2,500 people to the Windsor track. Five well backed second choices and a favorite won. The feature of the day's racing was the steeplechase handicap over the short course, in which there were seven starters, but only three finished the course. At a false break Peter Becker ran away and went over the first obstacle under restraint. He made a bad landing and unseated his rider. He was finally caught and held while the others were sent away to a fair start. Sartor Reartus came to grief at the second jump, losing his rider. At the same fence Dragon bolted and Trenet the Mere refused. This left Bank Holiday, Manzano and Lulu Young to finish. After going over the tenth jump Bank Holiday assumed command and won easily from Lulu Young.

R. C. Chambers and his brother Frank were called to Seward, Nebraska, last night on account of the death of their mother, who died Monday morning at the advanced age of ninety-two.

Starter Dwyer today fined jockey Brinegar \$10 for disobedience at the post. Swain also drew two days for the same cause. The suspension against jockey Cherry was raised after he had been one day on the ground. He will be given another chance to be civil at the post.

In the steeplechase Pierce, who had the mount on Bank Holiday, was set down for the remainder of the meeting for breaking up starts.

NO JUMPING RACES AT DOUGLAS PARK.

Cincinnati, O., August 28.—During the Douglas Park meeting the steeplechase brigade will have a chance to rest up a bit, as no cross-country races will be offered at the new track this year. Nearly all of the "leppers" located here will be shipped to Churchill Downs, which has one of the safest and best steeplechase courses in the west. The closing of the Chicago racetracks set jumping back in this section of the country many years. The sport was picking up rapidly there when the blow came. The American Turf Association has endeavored to foster it, but conditions are such that not enough money can be offered to attract really good jumpers, although much more might be done in this respect than is now being done. That the sport is popular with western race-goers is shown in the fact that the crowds are always noticeably larger on days when jumping races are set for decision than on other occasions, save possibly when there are stake races. On top of the scandals at the Fair Grounds, New Orleans, in connection with jumping races some five or six years ago, Mr. Bush discontinued the sport there. However, there is a possibility that it will be resumed the coming winter. There will be steeplechasing at City Park.

YEARLINGS LEAVE LEXINGTON FOR THE EAST

Lexington, Ky., August 28.—The first consignment of thoroughbred yearlings to be sold at the Fasig-Tipton Company's September sales, beginning Saturday at Sheephead Bay, left here by special train yesterday morning over the Louisville & Nashville and the Pennsylvania lines. There are five cars from the McGrathana Farm of Colonel Milton Young, one car loaded with youngsters owned by the estate of the late Captain S. S. Brown and one owned by the estate of the late Charles F. McMeekin.

CHARLES MIERS IS ILL AT SARATOGA.

Saratoga, N. Y., August 28.—Charles J. Miers, who has been with John Condon for many years as business manager of the Harlem Jockey Club, is ill in his apartment at the States, threatened with typhoid fever.

Winner—Br. m. by Halma—Jessie Lee B. (trained by F. Gering, Jr.). Went to post at 2:29. At post 3 minutes. Start good. Won easily; second and third driving. Athena, away running and well handled, showed much speed, ran to her best form and won all the way. Sand Bath put up a good performance and was gaining steadily through the stretch run. Estrada Palma finished with a rush after a slow beginning and outstayed the Laurel. The latter was a forward contender and ran a good race. Katie Powers ran a bad race under poor handling and can do much better. Falkland ran a bad race and was never a serious contender. Sister Lillian tired quickly after going three-quarters.

Scratched—64356 Inflammable, 105; (64376) Liberty Mo, 107. Overweights—Athena, 2 pounds; Estrada Palma, 1½; Sister Lillian, 2½; Gold Bell, 1.

Winner—Ch. c. by Marius II.—Bohemian Lass (trained by Frank Marklein). Went to post at 3:02. At post 2 minutes. Start good. Won driving; second and third the same. Frank Fleisher was well handled, followed the early pace closely and, assuming the lead when called on, came away and won well in hand after a slight shaking up. Demo, hard ridden all the way, was forced into the deepest going through the stretch and, standing a drive gamely, finished fast and ran a good race. Bottles, badly ridden and taken all over the track, put up a good performance and was slightly cut on the foreleg. La Thorpe showed the most speed for the first half, but tired fast in the stretch. Princess Marie ran a good race under bad handling. Agra can do better and was always outpaced.

Scratched—64245 Early Spring, 94. Overweights—Quintilla, 1 pound.

Sorrel Top, away running and favored by the stiff going, took a long lead at once and won all the way with plenty in reserve. Inspector Girl acted badly at the post, but followed the leader closely and finished fast. Elude ran a good race, but was beaten off at all stages. Optional had no mishaps and ran poorly. The others were always beaten.

Winner—B. c. by Giganteum—Bloomer (trained by W. H. Fizer). Went to post at 4:00. At post 3 minutes. Start good. Won handily; second driving; third the same. John L. Inglis, hard ridden all the way, followed Miltiades closely to the stretch turn, where he took the lead and, under a hard ride, outstayed Miss Doyle. The latter, weakly ridden, was probably best and suffered from bumping by John L. Inglis in the last furlong. Miltiades ran as if short and tired after going three-quarters. Pat Bulger ran badly and was never a serious factor.

Scratched—64277 Wee Lass, 97.

SARATOGA MEETING WILL CLOSE TOMORROW.

The most successful meeting in the history of the Saratoga Racing Association will end tomorrow. There will be no racing in the east on Friday. That day will be occupied largely in the transportation of men and horses to New York for the opening at Sheepshead Bay on Saturday. The attendance at Saratoga has been greater day in and day out, than ever before. This means, of course, that the gate receipts have been larger and that the racetrack stockholders will receive increased dividends. The racing has been of an excellent quality, although in the events for the older horses there has been a general lack of high class—a fault that has been manifest all the year. The honesty of the sport—another indisputable feature all season—has enabled a majority of the backers to beat the books. A majority of the bookmakers have lost money on the meeting.

"One of the leading layers," says the New York Sun, "declares that in spite of the large crowds the money in the ring was scarce; that a book was doing big business to handle \$1,900 to a race on a Saturday, while on other days a play of \$600 to a race was remarkable. This same bookmaker declared that Bill Coven had won a fortune at laying the prices this year but that he had not cleaned up any great amount of money at this meeting. Frank Tyler, who has been operating on the usual extensive scale, is a winner, as he has been all the year, and there are a few others. But the rank and file of bookmakers are either about even or have lost heavily. Tim Payne, for instance, dropped so much money here in the last two weeks that he quit cold. Others have done the same, which goes to show that the bookmakers do not have the cinch with the alleged 'quillible public' which antagonists of racing try to make out.

"The 'Mets,' long since defunct, bobbed up last week in a way that should result in prompt action by the powers that be. It was in the Altuda case that the 'Mets' no longer recognized, took it upon themselves to declare all bets off whereas John G. Cavanagh, the master of the ring, suggested that bets made on Altuda should be refunded and that all other wagers should stand. This conflict of authority should not exist. The turf governors, who turned down the 'Mets' at Belmont Park a year ago last spring, established an open ring, over which John G. Cavanagh was placed with authority to govern matters in the best interests of racing. This move was one of the greatest benefits that the racing public ever enjoyed, for it meant better protection and more of it for the patrons of the sport. At this late day, therefore, it seems rather inconsistent to have the discredited 'Mets' assuming the right to decide anything in an opening, when such a fair, impartial judge as Cavanagh is really the one to make an absolute and exclusive ruling in such instances."

HERCULOID A MOST EXCELLENT JUMPER.

Easterners, who keep a keen eye on steeplechasing and are good judges of jumping horses, say that Herculoid is one of the best fencers seen in this country in many a day. Since his victory in the Beverwyck Steeplechase at Saratoga Saturday there is a strong desire to see him meet the English horses John M. P. and Phil May. They are all in the Great Autumn Steeplechase, which is to be run at Sheepshead Bay September 8, which is Herculoid's only engagement at the meeting.

Herculoid has started four times this season. His first appearance was in the International at Belmont Park, when he won. At the same track he finished third to Good and Plenty and Grandpa for the Grand National. He was then rested up for the Saratoga meeting. He won the Saratoga Steeplechase, the richest cross country event at the Spa, and the Beverwyck.

Herculoid is a rugged, hardy horse and this, in addition to his superb jumping, has caused more than one good judge to express the belief that he would have more than an outside chance of winning a Grand National over England's difficult course. Colonel Robert Neville, his breeder, said of Herculoid after his success in the Beverwyck: "He comes by his ruggedness honestly. He acquired

that chasing over the ridges and valleys of Virginia in his colthood days. He is no masher feed horse, but is all bone and muscle, and that is what it takes to carry a horse over the long and tiring National course. I would like to see him a starter in that race after a year's training at the Curragh, where they have a duplicate of the Aintree course for schooling purposes."

Colonel Neville has two half sisters to Herculoid at his Pelham Stud in Virginia. Both are by Contract, one a three-year-old; the other a two-year-old. The two-year-old, Colonel Neville says, is one of the finest fillies he ever saw, and he predicts that she will duplicate the success of Herculoid when she comes to the races. Both Savile and Harpist, the sire and dam of Herculoid, are dead. After J. Story Curtis, who imported Savile, broke up his Virginia breeding establishment Savile was bought for \$15,000 to be returned to England. He died soon after reaching there. Harpist dropped dead at the farm in 1904.

Contract, the sire of the half sisters to Herculoid, was also imported by Mr. Curtis. He is by Isonomy, and is a well bred horse. He came to this country about the time Kinley Mack, which also is by a son of Isonomy, was making a name for himself and was at once eagerly sought by breeders. A number of mares were sent from Kentucky to be bred to him, but the horse was injured and the mares were returned without having been bred.

It was believed that his injuries would be against his success as a sire, but Colonel Neville did not subscribe to this theory and purchased him. He feels now that it was a good investment and expects Contract to send out many good cross-country performers from Pelham Stud.

BRADY'S HORSES ARE AT SHEEPSHEAD BAY.

New York, August 28.—Matt Allen has arrived at Sheepshead Bay from Saratoga with the stable of James B. Brady. He says the horses shipped well. Accountant has six engagements at Sheepshead Bay, the first of which is the Fall Handicap, on the opening day, but he will not go in this. The Twin City Handicap, which is to be the feature of the second day, which is Monday next, will call him out if, as trainer Allen says, "the handicapper is not too hard on him." Speaking further with reference to Accountant trainer Allen said: "My horse is in first-class condition, and he will not need more than one stiff gallop to equip him for the big mile and a quarter race of the Coney Island Jockey Club's Labor Day program. Many persons profess to believe that Gallavant had Accountant groggy in the Saratoga Derby. I do not believe he did. Accountant won as far as he was asked to win. At no part of the mile and five-sixteenths journey did Jack Martin hurry him. He galloped freely all the way, and he would have run a faster race if he had been called to maintain a stiffer pace. I like this horse very much. He is as game as they come. He does not really flatten himself out and run until he feels the whip. If he starts in the Twin City it may be taken for granted that I think him very fit and equal to the task set before him, and he will be hard to beat."

Mr. Allen said further that the Sheepshead Bay race he is most anxious to win with Accountant is the \$25,000 Annual Champion, two miles and a quarter, to be run on the last day. After the Annual Champion it is likely Accountant will be put away for the season. He has later dates, but trainer Allen considers that he has already done his duty, and he does not believe in working an honest colt to death. He is essentially a trainer who looks ahead.

Mr. Allen is not without hope that Oiseau may win the \$20,000 Century Stakes. Oiseau will probably get a public trial for the Century in an over-night race at the Bay. Fountainblu's engagements at Sheepshead Bay are the Partridge, Dash, Flatbush, Sapphire, Autumn, Flight, Golden Rod Stakes and the Great Eastern Handicap. The Flatbush is the race for which he is being pointed just now.

MRS. LANGTRY AN OWNER AT ELEVEN.

"Mrs. Langtry, who after a long and rather depressing period, recently won a race in England, began her sporting career at the age of eleven," says the Toronto Sunday World. "She was the daughter of the Dean of Jersey, and races, with small stakes and few rules, were then held on the little island. She and her younger brother bought a racing mare—appropriately named Flirt—of uncertain age and more uncertain forelegs, paying \$22.50 from their pocket money savings for the prize. Flirt was housed in the Dean's stables as an alleged hack, and the children put her through a course of training that consisted of a daily exercise gallop on the common. But there was good blood in the mare, and she turned out to be as plucky and lucky as her mistress, for she galloped away from the others in her first race and netted \$150 to her owners. This early disposition toward racing has become a fixed habit with Mrs. Langtry, who is never more happy than with her horses."

SEATTLE IS EXPERIENCING A BOOM.

Cincinnati, O., August 28.—Colonel W. E. Apple-gate got back from Seattle on Sunday. His stay there was a bit limited, but he had lots of time to see what was doing. "The racing at Seattle," said he, "was splendid, and while I was there nineteen books were on. The city is on a boom, and real estate has gone away up. A piece of ground that I wanted to buy two years ago for \$11,000 sold for \$116,000 recently. The whole section out there is booming, and there is plenty of money floating about."

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed.]

Hartman, Indianapolis, Ind. Have no knowledge of any at present.

George W. C., Memphis, Tenn. You are entitled to a draw on Altuda.

F., Columbus, O. Isaac Murphy died at Lexington, Ky., February 12, 1896.

F. R. C., Chicago. The Montreal main track will be one and one-eighth miles around.

Charles W. W., Toronto, Ont. W. Miller rode on all the dates named except July 24 and August 1, 2, 3, 4.

A. A. J., Chicago. From the time scored the Latonia track was undoubtedly fast when the third race was run last Friday.

M. B., Chicago. Bohemia has started seventeen times this year without winning. Tickle has started in thirty races and won five.

T. J. D., St. Thomas, Canada. New Mown Hay was raced in California last winter, at Ascot Park and Oakland, and was not raced at New Orleans.

H. P. L., Chicago. A place bet on a horse against which no place odds is laid at the track is a draw, and a bookmaker has not the slightest ground on which to keep money so bet.

E. N. D., St. Louis, Mo. The bookmaker who claimed your place parlay on Roscoe and Dolinda lost was a fool or worse. It was a winner as a single place bet on Roscoe, and was void as to Dolinda for the reason that there was no separate place price.

Winner—B. f. by Watercross—Starlight, by Onondaga (trained by J. O'Neill).
Went to post at 3:01. At post 3 minutes. Start good. Won driving; second the same. Starglow was cut off on the first turn, but went to the outside, caught Rome, the pacemaker, as they turned into the homestretch, raced him into exhaustion and had just enough left to stall off the challenge of Charley Ward. Charley Ward was off badly, but weaved his way up on the inside, flashed through an opening when entering the last sixteenth and would have won in another stride. Rome forced a fast pace to the last sixteenth, but was a tired horse at the finish. Edwin H. had no mishaps and quit badly in the stretch. Silver Star ran forwardly for three-eighths of a mile and then quit as if short.
Scratched—64243 Crosscut, 102; 63859 Valance, 107.

64424 THIRD RACE—Short Course. Steeplechase. (3:35-7-150.) Purse \$400. 3-year-olds and upward. Handicap. Net value to winner \$300.

Went to post at 3:26. At post 9 minutes. Start good. Won easily; second the same. Bank Holiday fenced well and displayed plenty of speed on the flat and, at the weights, was much the best. Lulu Young did not take the obstacles in her usual brilliant manner and can do much better. Manzano ran forwardly and fenced well, but tired in the stretch run. Sartor Resartus lost his rider after going over the second jump. Dragon ran out and tumbled the MERE, refused at the second jump. Peter Becker ran away to a false start, lost his rider after going over the first jump and did not start in the race.

Winner—B. f. by Star Ruby—Santuzza (trained by P. J. Williams).
Went to post at 4:00. At post 6 minutes. Start fair. Won easily; second the same; third driving. Fleeting Star was well handled and saved from the early pace until rounding the turn for home, where he caught the leaders tiring, racing Mirabel into exhaustion and won with plenty in reserve. Minos was much used in the racing with Mirabel and was much the best of the others. Abington began slowly, but ran a good race and will do to remember, closed up in the stretch run and was going fastest at the end. Mirabel was used up in forcing the pace and tired badly in the final eighth. Tom Anderson closed a big gap from a poor beginning.
Overweights—Fleeting Star, 1 1/2 pounds.

64426 FIFTH RACE—5-1/2 Furlongs. (1:06-1:24.) Purse \$300. 2-year-olds. Selling. Net value to winner \$225.

Winner—B. c. by Resolute II—Miss Eddie (trained by B. C. Evans).
Went to post at 4:33. At post 3 minutes. Start good for all except Grafton. Won easily; second the same. Resolute was rated in behind the leaders until the stretch turn was reached, then moved up fast, caught Josephine E. in the last eighth and won going away. The latter set a fast pace and tired in the stretch run, but held the others safe for second place. Miss Martha ran forwardly throughout. Attention was a keen contender nearly all the way, but tired badly in the last sixteenth. Crip ran well for a half mile, then quit and appeared to be sore when going to the post. Grafton refused to break as the barrier was raised and was left.
Scratched—64323 Glimmer, 106; (64387) Black Flag, 101; 64387 Pedro, 99; 64340 Reina Swift, 94; 64226 The Composer, 94.

Winner—Ch. f. by Pessara—Rebound, by Long Taw (trained by J. Walters).
Went to post at 5:00. At post 1 minute. Start good. Won easily; second the same; third driving. Rebound took command in the first quarter, raced Judex into defeat in the first half and had enough to withstand the determined challenge of Lemon Girl and won going away. Lemon Girl was a keen contender all the way and easily held the others safe. Lazell ran forwardly all the way, but tired and just lasted long enough to save third place from Cambridge. The latter got off badly and ran a winning race. Judex tumbled from chasing the winner. The others were always outrun.
Scratched—64127 Edgely, 102; 64325 The Gaddy, 105.
Overweights—Cambridge, 1 pound.

Went to post at 2:15. At post 1 minute. Start fair. Won driving; second and third the same. Sir Russell beat the gate and practically forced the pace throughout and outstayed the favorite in a hard stretch drive. Sanfara got away slowly on the inside, was rushed up in deep going and established a small lead in the first quarter, but tired finally after a game effort under a poor ride. Oaklawn ran in third position throughout, but finished tiring and just saved it. Bas d'Or trailed far in the rear to the stretch, where he closed up fast in a good effort.

Winner—B. h. by Top Gallant—Glen (trained by E. Wishard).
Went to post at 2:45. At post 4 minutes. Start good. Won driving; second and third the same. Neptunus was skillfully reserved in the early running and made good in game fashion in the last quarter. Colonel Bartlett, away poorly, steadily improved his position into a fast going second. Wrenne raced into the lead early and, being excessively urged for the first six furlongs, tired at the end under a bad ride. Aucasin showed superior speed, but was handicapped by the going and failed to stay. Woolwich, from a flying start, essayed to force the pace in the deep inside going, was shuffled back, but was again sent to the front and tired badly after going a strenuous five furlongs. Charlatan, away very badly and inadequately handled, closed a big gap and was going fastest of all at the end of a good race, but wants blinkers and a more vigorous ride. Euripides displayed superior speed for six furlongs.
Scratched—64390 Gus Heldorn, 96; 64311 Edith James, 90.
Corrected weights—Woolwich, 101.
Overweights—Wrenne, 1 pound; Charlatan, 1; Brait, 1.

Winner—Br. c. by Hastings—Lady Rosemary (trained by J. J. Joyner).
Went to post at 3:15. At post 2 minutes. Start good. Won easily; second driving; third the same. Rosemount, much the best today, set the pace and, gradually increasing his lead as the race progressed, won off in a canter. Killaloe was in the deepest going all the way and outstayed the others for second place. Rio Grande, palpably short, was reserved in the early running, but failed to stay, but is a good horse. Elmont ran forwardly and gamely throughout and is promising. The other two were beaten off, but Phantom Light ran well to the stretch.
Scratched—64361 Glamour, 102; 64326 Nancy, 107; 64359 Jersey Lady, 111; 64361 Dulcinea, 107; 64350 Cobleskill, 105; 64361 Autumn Flower, 107; 64390 True Lass, 102; Commodore Anson, 105; Joe Miller, 105.

Went to post at 3:40. At post 1 minute. Start good. Won easily; second driving. Gallivant was best in the going and gradually wore Tiptoe down in the last quarter. Tiptoe, not keyed up for the dis-

ance, easily outpaced Gallivant for seven furlongs. Both are superlative racehorses in the going that prevailed today.

WEDNESDAY

My previously advertised 30 to 1 long shot goes. This bird will fly home with the goods just as easy as all of my long shot winners have in the past.
NOTE: I am the only horseman in this business that hands out long price winners and always make good. If you want short price horses, don't subscribe for my wire. The old method of playing favorites is a joke at this track, and when my clockwork cannot dig up a long shot sleeper for my clients that looks like ready money, I send no wires to my clients. When I know that I have the inside track and everything fixed right, I never overlook my clients.
